Hwy 55 Burgers Shakes & Fries makes every attempt to identify ingredients which may cause allergic reactions for those with food allergies. Every effort is made to instruct our staff on the severity of food allergies. However, there is always a risk of contamination. There is a possibility that manufacturers of foods we use could change the formulation at any time, without notice. Customers concerned with food allergies need to be aware that Hwy 55 Burgers and their franchisees will not assume any liability for adverse reactions to foods consumed while eating at one of our establishments. Recommended limits for a 2,000 calorie daily diet are 20 grams of saturated fat and 2,300 milligrams of sodium.
